

New market opportunities
Networking Event
Thursday 8th October 2009
5.00pm – 8.00pm

Are you aware of the opportunities in renewable energy for your company?

- Do you think you have a product/service which could be useful to the renewable energy sector?
- Where do you need support in accessing opportunities in the renewables sector?
- Are you aware of the scale of potential renewables projects in the South region/across Scotland?
- Which particular area of renewables is of most interest (marine, wind, biomass, etc.)?
- What can we do to help you gain a better understanding of relevant opportunities?

Whether you are developing products for the renewables sector, have an idea that may impact the market or wish to find out how you can get involved, attendance should be one of your key investments in 2009.

Come along and hear from key speakers from Scottish Renewables, Academic support programmes and from companies already capitalising on this growing market place.

Date: Thursday 8th October 2009

Timing: 5.00pm – 8.00pm

Venue: Browne House, Crichton University Campus, Dumfries

Register:

To register please email Pamela Young at pyoung@targetinginnovation.com.

Knowledge Links for Business is a Scottish Enterprise project and is part funded by the European Union through the European Regional Development Fund. The project is being delivered on behalf of Scottish Enterprise by Targeting Innovation Ltd with support from Interface – The knowledge connection for business.
